RYEDALE SLAM DUNK WAY TO TITLE

Ryedale & Whitby School Sports Partnership Year 8 Basketball League winners Ryedale High were crowned North Yorkshire Champions after a clean sweep of victories against the local Champions from St Aidans C of E (Harrogate); Fulford High School (York) and Graham School (Scarborough).

For most it was their first taste of schools competition at this level and the players thoroughly revelled in the first County Finals for 4 years after it was resurrected by Jodie Robson (Head of PE – Ripon College).

Schools played in a round-robin format (everyone played each other) with Ryedale's extra fire power (60 points in just 36 minutes of basketball) giving them the edge.

It was however certainly no walk in the park with St Aidan's and Fulford recovering from fairly narrow early defeats against Ryedale to fight it out for second place. This honour went to St Aidan's after they beat Fulford 16-11 in the penultimate game of the evening.

Special thanks need to be reserved for Dave Smith; all the young leaders (who refereed and scored) and Jodie for ensuring the event was a success.

A great event! Well done to all the players and thanks to the staff for your support.
