CARLTON FACEBY "A" WIN THROUGH AT FIRST EVER QUICKSTICKS FESTIVAL!

The Galtres Centre hosted the first ever Y3/4 Quicksticks Hockey Festival on 20th January. With 13 teams entered and around 90 Y3/4 pupils it was a very busy afternoon of hockey! The teams were split into three groups to play a round robin competition, with the winner of each group going forward to compete in the finals.

With guidance from coaches from Thirsk and Northalton Hockey Clubs and Young Leaders from Easingwold School, the standard of play visibly improved throughout the afternoon with some very tight matches.

The winning team from each group played off to decide the final placings. Carlton Faceby A won the event with Forest of Galtres A coming second and Sheirff Hutton came third.

Well done to everyone who competed and supported this excellent event.
