**BEDALE HIGH WIN U14 AREA BASKETBALL RALLY IN CONVINCING STYLE**

Bedale High School U14 basketball team won the Hambleton and Richmondshire Area rally held at Risedale Community College this week. Despite losing one game by one point to eventual runners up Easingwold, Bedale won all their other games and ran out eventual victors in convincing style.

Five of the squad, Harvey Gill, Harry Jeffrey, Harry Hutchinson, Natasha Sedgwick and Tom Wilford were selected for the Area team and the Bedale High School team will go forward to represent the Area in the County Championships in March.

Head of PE Martyn Coombs said 'this was an exceptional performance by the squad who managed some convincing wins in the tournament and they were worthy winners'.

Well done to everyone who took part and made this such a successful event.
