

### **Knayton Hillside Rural Activity Park Host 2009 Finals**

Over 300 pupils from across the Partnership competed in the Thirsk SSP Cross Country Finals. This Year's event was kindly hosted by Knayton Hillside Rural Activity Park on a very sunny morning. Every team at the finals had qualified by finishing in the top two at the cluster cross country competitions. This made for high quality competition in slightly wet conditions!

The four races Y3/4 Girls, Y3/4 Boys, Y 5/6 Girls and Y 5/6 Boys were all keenly contested and lead to some very tight finishes. The top four children from each school counted in each race and below are the results:
