***North Yorkshire Youth Games
Girls Football Selection Day***

38 Girls gathered in sweltering heat at the aptly named Sandylands Sport Centre in the middle of Skipton to go through their paces with FA Qualified Coaches in the process of selecting a squad to go forward to represent Craven at the up and coming North Yorkshire Youth Games held at Ampleforth College on Sunday 28 June 2009.

Supported by a strong number of young leaders from Craven College the day consisted of skill sessions and small sided games to ascertain the development levels of the girls.

A huge thank you to Sandyland's Sport Centre manager Daile Coope for providing the facility and to the Girls Centre of Excellence at York for providing the coach.

By the end of the day 38 girls went home smiling, tired and enjoying a great day of football.

10 lucky, talented girls go on to represent Craven at the Youth Games later this month, watch this space.
